

Pricer SmartTAG™ HD110

13413-00

Clear High Definition display

Large High Definition display giving the freedom to choose the layout that suits. Whether it is an extra large price, promotion, QR code or barcode, there is room to fit it all directly on-screen, with no paper required.

Features

- Crisp High Definition DotMatrix™ display for easy readability
- Fine resolution for better rendering of text and graphics
- Extra-wide 170° viewing angle and low reflection in all indoor lighting situations
- Easy link with label ID barcode on the front.
- Additional promotional information can be attached directly to the frame of the label.

Pricer SmartTAG™ HD 110 with a promotional SmartCLIP attached
