

SmartTAG HD200 Slim

19800-00

The best looking large display

Extremely clear high-contrast in black & white at a size that really makes an impact. Whether it is an extra large price, promotion, QR code or barcode, there is room to fit it all directly on-screen. The slimmest and largest display available which looks great in a store.

Features

- Crisp 7" High Definition graphic display for easy readability
- Super clarity and contrast for easy readability up close and far away
- Extra-wide 170° viewing angle and low reflection in all indoor lighting conditions
- Plenty of space to include additional, dynamic product and promotion information
